# Edge Acrobatics Expanding

Important Club updates

Issue #1

## On the Edge

Since our launch in June, Edge Acrobatic Gymnastics has gone from strength to strength. Our classes are very popular and we are close to full capacity.

We want to say a great big thank you to our lovely members for making this happen! Word of mouth is the best possible way of advertising, so keep continuing to tell your friends and family about us!

## Save the Date

All classes will be invited to participate in Edge's first Christmas Extravaganza **4<sup>th</sup> December**, at Glastonbury Town Hall. This is a fantastic way for gymnasts to get dressed up, showcase their progress and feel a real part of something bigger, within the Edge community.

## Watching Week

Parents/carers are invited to come inside the gymnastics hall to view their child's session and see how much their child has progressed over the last term. **Watching week is 18<sup>th</sup> - 23<sup>rd</sup> Oct**, the last week before half term.

Edge Timetable 1 Nov 2021		Venue	Postcode
Mon	Squad 1&2 - 4:00 - 6:00pm	Glastonbury Town Hall	BA6 9EL

Sun			

## Edge Acrobatics goes Mobile

We have bought a van!! This rather large van is to store our equipment in, so that we can access more training hours, over multiple venues. This has allowed us to expand our timetable and enables the squad to be able to train year-round.

Check out the timetable above with the new venue changes and ensure you take note of the new location of your child's class. **These changes will take place from 1st November 2021.**

Friday Foundation: please also take note that the session will be 15 minutes later, a 4:45 start time.

*There will be NO foundation or Focus Foundation during October half term.*

We have introduced brand new Foundation and Focus Foundation classes on a Thursday at Brookside so that we can continue to cater for new members.

## FTTC Fitness

Edge Acrobatic Gymnastics also offers fitness classes for adults under the banner of Fit to the Core Fitness. These classes are high intensity, functional fitness, body conditioning classes using Crossfit style programming and is scalable for every level. Why not drop your child off and use the time to join in a class whilst they are busy?

## New Edge Club Kit

Available to order through the website

From £14

From: £8.50

## New Edge Club Leotards

£23.50
