[All previous procedures are superseded by this version with effect from 12th December 2023]

1. Background

- 1.1 The British Amateur Gymnastics Association ("British Gymnastics") is committed to providing a fair, consistent and proportionate approach to the handling of Complaints.
- 1.2 For the purpose of this document a "Complaint" is any communication to British Gymnastics from which it appears that there has or may have been a breach of the Articles of Association, Membership Rules, Standards of Conduct or British Gymnastics Policies, whether expressed as a complaint, disclosure, grievance, allegation, query or expression of concern or identification of an issue.
- 1.3 The Complaints and Disciplinary Policy and Procedure (the "Procedure") is designed to provide an open and transparent route for Complaints made under this procedure to be resolved fairly within a reasonable period.
- 1.4 As the governing body, British Gymnastics' approach is to focus on the most serious breaches of standards of conduct that may give rise to questions about a member or organisation's suitability to participate in the sport, whilst providing support to registered organisations to manage the lower level breaches.
- 1.5 Where a Complaint necessitates formal disciplinary proceedings, British Gymnastics shall exercise its disciplinary powers in the manner set out in this Procedure.
- 1.6 Included herein is the ability to enable a process for the consideration of Complaints that give rise to concerns about an individual's suitability to be working or volunteering with children, young persons and/or adults at risk within the sport.
- 1.7 It is our intention to promote a culture where it is safe and acceptable for any person to raise any complaints or concerns including those of poor practice, bullying or harassment, neglect, grooming, abuse or other forms of misconduct. No person should be victimised for raising concerns or making a Complaint.
- 1.8 British Gymnastics requires members and registered or affiliated organisations to co-operate in any Complaints investigation, where requested, to participate in interviews; to provide information and/or statements or any other information believed to be in their possession or knowledge and to attend hearings to give evidence. Members or those representing British Gymnastics registered or affiliated organisations who fail to comply with these requirements, may themselves be subject to disciplinary action.
- 1.9 Subject to the reporting of any decision by the Case Management Team ("CMT"), Case Panel or Appeal Panel and with the exception of communications with appropriate authorities, in pursuit of legal obligations, all investigations, communications and proceedings relating to safeguarding complaints under the Procedure shall be conducted in confidence, with all parties involved subjected to an obligation of confidence. All and any hearings shall be held in private.

- 1.10 The Standards Committee of British Gymnastics may amend this document as it sees fit from time to time. Any such amendments shall come into full force and effect upon the date specified by the Standards Committee. The version in force is published on the British Gymnastics website. Any existing Complaints where disciplinary proceedings have already been instigated prior to the introduction of this version of the Procedure will be conducted in accordance with the version of the Procedure that was in force at the time that proceedings were instigated.
- 1.11 Nothing in this document overrides, amends or waives any provision in the Constitution of the Association or restricts the rights of British Gymnastics or the Board to make or amend Regulations or other Bye-Laws or to manage the business of British Gymnastics as they think fit.
- 1.12 The laws of England and Wales shall apply in relation to these Procedures and to any legal dispute arising from these.

2. Interpretation

- 2.1 The “Complainant” is the individual or organisation who has raised the Complaint.
- 2.2 The “Respondent” is the individual or organisation against whom a Complaint is made and/or against whom disciplinary proceedings are brought.
- 2.3 Where referenced, a “working day” means a day other than a Saturday or Sunday or a recognised public holiday in the UK.
- 2.4 “Delegation of CEO /Powers” refers to any act carried out on behalf of the Chief Executive by his or her direction.

3. Jurisdiction

- 3.1 The British Gymnastics Articles, its Rules and Regulations and the various conditions of membership, registration and affiliation, require that all members, registered clubs and those associated with clubs as members and all affiliated associations and those associated with affiliated associations as members, comply with Regulations made by the Board and conduct themselves in accordance with the Standards of Conduct, Membership Rules and all and any other relevant British Gymnastics Policies.
- 3.2 Although British Gymnastics has jurisdiction over the persons and organisations set out in paragraph 3.1 above, registered clubs and affiliated associations may have their own disciplinary jurisdiction over such persons and organisations. In such a case, where both British Gymnastics and a registered club or affiliated association have jurisdiction over a matter, British Gymnastics will not usually consider the matter until the organisations own complaints procedures have been exhausted with the exception of safeguarding cases that meet a statutory reporting threshold. The CMT may, in its sole discretion on behalf of British

Gymnastics, determine that the matter shall be dealt with by British Gymnastics or the registered club and/or affiliated association(s) under local complaints procedures.

- 3.3 Where a registered club or affiliated association requests that British Gymnastics deals with a matter, the CMT, in its sole discretion, determine whether it has the jurisdiction to do so.
- 3.4 Where a club is in dispute with another club or one of its own members, British Gymnastics is unable to intervene unless the club or the member is in breach of the Standards of Conduct or any other British Gymnastics Policy or Code of Conduct.

4. Summary and Scope

- 4.1 These Procedures shall apply to:
 - 4.1.1 Complaints of alleged breaches of British Gymnastics Governance Articles of Association, Membership Rules, Standards of Conduct or British Gymnastics Policies.
 - 4.1.2 Complaints that raise safeguarding concerns.
 - 4.1.3 Any other matter that the CMT, in its sole discretion, considers may constitute misconduct or give rise to safeguarding concerns or should otherwise be dealt with under this Procedure.
- 4.2 These Procedures do not apply to disciplinary action contemplated or taken by British Gymnastics against employees of British Gymnastics, concerning matters arising while in the course of their employment. However, where formal action is taken against British Gymnastics employees in the course of their employment, resulting in any form of sanction that impacts on their ability to continue with British Gymnastics membership, this can be addressed under these procedures.
- 4.3 These Procedures do not apply to complaints about British Gymnastics services. Any complaints concerning these matters should be addressed initially through the British Gymnastics Customer Complaints and Resolutions Policy. Complaints about British Gymnastics staff members should be directed to the People Services department at peopleservices@british-gymnastics.org. Complaints about anti-doping or selection decisions will be addressed in line with the relevant policy.
- 4.4 British Gymnastics procedures are not an alternative way of addressing criminal offences. British Gymnastics encourages complainants to report allegations or suspicions of a criminal nature to the police in the first instance. British Gymnastics itself will involve the statutory authorities in appropriate matters. British Gymnastics will support the police with any resulting investigation in line with its legal obligations. The CMT will exercise its discretion when deciding whether to consider the Complaint before any criminal proceedings have concluded and may liaise with the police in this regard.
- 4.5 While British Gymnastics will always consider any anonymous information where a child may be at risk of harm, it may not be able to progress anonymous complaints.

- 4.6 It is normally necessary to identify the complainant to provide the Respondent with a clear understanding of the allegations and ensure procedural fairness. In some situations, it may be possible to keep the details of a complainant confidential (where there is a good reason for concern and/or the identity of the complainant is not material to the case or anonymity has been requested), but this is sometimes not possible as the complainant's identity may be apparent from the details of the complaint provided to the Respondent.
- 4.7 These Procedures describe:
- 4.7.1 The process by which Complaints under this Procedure may be made to British Gymnastics, how they are assessed and investigated and how they are considered at a preliminary stage to assess whether formal disciplinary action should be taken.
 - 4.7.2 The alternative routes that may be followed before, or in place of, formal disciplinary proceedings.
 - 4.7.3 Who is authorised to take disciplinary action, to initiate disciplinary proceedings and present particulars of the Complaint to those responsible for determining disciplinary proceedings.
 - 4.7.4 Who will hear and determine formal disciplinary proceedings and the way in which those hearings and proceedings are to be conducted.
 - 4.7.5 The process for considering Complaints where it is reasonably believed that an individual may present a risk to children, young persons and/or adults at risk and the controls that can be applied.
 - 4.7.6 The sanctions and other actions which may be taken by British Gymnastics where it is determined or agreed that misconduct has occurred.

- 6.1 Any Complaint pursuant to this document received by British Gymnastics, will be referred to the Welfare and Safe Sport Team who will make an initial assessment of the Complaint to determine whether the matter falls under the jurisdiction of these Procedures.
- 6.2 If a Complaint falls outside the jurisdiction of these Procedures, it will be referred to the relevant organisation or British Gymnastics department to be dealt with appropriately.
- 6.3 Assuming the Complaint falls under the jurisdiction of these Procedures, the Welfare and Safe Sport Team will assess the seriousness of the Complaint and may:
 - 6.3.1 Confirm the identity of the Lead Officer for the Case.
 - 6.3.2 Dismiss the complaint as unfounded or as insufficiently serious to require any further action by British Gymnastics.

- 6.7 The Lead Officer will ensure details of the complaint and any relevant additional material is shared with the Respondent unless the CMT determines that disclosure of specific information may place any person or persons at risk of harm and/or revealing it to the individual may amount to a criminal offence and/or amount to an unwarranted infringement of privacy or might otherwise be unlawful.
- 6.8 The Respondent will be interviewed where necessary and/or given a full opportunity to provide any written representations and evidence in response to the Complaint.
- 6.9 The Lead Officer shall collate all evidence and prepare a summary of the Complaint and evidence, including any relevant information held on file by British Gymnastics, for consideration by the CMT.

- 6.19 Referrals to the Case Panel may also be initiated following a risk assessment, disclosure of content on a criminal record check e.g. convictions, cautions, warnings and relevant soft information and where any other information comes to light that suggests that the individual may be unsuitable or pose a risk to work or volunteer with children, young persons and/or adults at risk.

- 6.20 Where the matter is referred to the Case Panel for consideration, the CMT may request any person to make written or oral representations or provide evidence concerning the matters under consideration and shall allow the Investigating Officer and the Respondent to comment on any such additional material considered by the Case Panel.

7 Temporary Suspension pending Investigation

- 7.1 The CMT or Case Panel may, at any time prior to the determination of a Complaint, suspend the membership or registration of a Respondent or any part or parts of the rights or benefits of a Respondent if there are reasonable grounds to believe that one or more of the following is applicable:
- 7.1.1 Children, young person(s) or adults at risk are considered to be at risk.
 - 7.1.2 It is necessary for the protection of other persons.
 - 7.1.3 The Complaint against the Respondent would, if established and upheld, result in the revocation of membership.
 - 7.1.4 The reputation of British Gymnastics, an affiliated association or a registered club could be harmed if the Respondent is not suspended.
 - 7.1.5 The continued involvement of the Respondent might impede enquiries and/or the investigation.
 - 7.1.6 Risks identified by a risk assessment undertaken under paragraph 6.10 or otherwise are such that suspension is appropriate.
- 7.2 Suspension in these circumstances is not a disciplinary sanction. Disclosure of a temporary suspension will include notification to the Chair of any affiliated association and to officers of the club(s) or other organisations involved in gymnastics with whose activities the Respondent is concerned. This is communicated by British Gymnastics on a need to know basis.
- 7.3 The Lead Officer will maintain a record of those to whom the suspension has been disclosed. Disclosure may be made to anyone having a reasonable need to be aware of the circumstances.
- 7.4 Where the Respondent is the subject of a temporary suspension, the Welfare and Safe Sport Team will review the suspension at regular intervals and update the Respondent as to the review outcome. Where the temporary suspension has been in place for at least six months, or as the case may be, six months since the last review, the Respondent has the right to request a review of the temporary suspension by submitting full written reasons for the review to the CEO or a person delegated by him or her. The CEO or person delegated shall review the temporary suspension upon receiving the request for the review and communicate the outcome of the decision in writing usually within seven days of the request having been made.

The decision of the CEO or delegated person on the review of the temporary suspension shall be final and shall not be the subject of any appeal.

- 7.5 Support to the Respondent shall be provided by the provision of appropriate advice and guidance.
- 7.6 While a temporary suspension is in place the subject's membership status will be 'suspended member'. A suspended member shall be a member, subject to the same rules and standards of conduct as all members of British Gymnastics but may not renew their British Gymnastics membership for the duration of the suspension and then only when British Gymnastics confirms that any and all conditions attached to the lifting of their suspension have been complied with.

8. **Disciplinary Procedures**

- 8.1 Where the CMT considers a Complaint should be put before the Case Panel for the purposes of a disciplinary hearing and/or the Respondent may be unsuitable to work or volunteer with children, young persons and/or adults at risk, the Lead Officer shall write to the Respondent setting out the allegations(s), the information upon which they are based and any additional documents on which the enquiry will rely.
- 8.2 The Lead Officer shall prepare a report of the Complaint and any other relevant information, including relevant details of any previous complaints and/or concerns. The report may be in such form and prepared by any person, as the Lead Officer, at his/her discretion, considers appropriate but should usually include:
 - 8.2.1 Details of the nature of the Complaint and any previous safeguarding concerns and any relevant evidence.
 - 8.2.2 An assessment of the seriousness of the concerns and who is or may be at risk of harm.
 - 8.2.3 Whether suspending or revoking membership is a proportionate measure based on the assessment of the risk of harm that the respondent presents.
 - 8.2.4 Whether any alternative measures can be imposed to reduce the risk to a manageable level.
 - 8.2.5 The details of any other relevant information including statements, reports etc. and a summary of what the evidence shows.
- 8.3 If applicable, the Respondent will be provided with a copy of the Lead Officer's report and any other written material that the CMT has considered when making the referral to the Case Panel, save for any material that, if provided could, in the view of the CMT, place an individual at risk of harm from any person or persons, and/or revealing it to the Respondent may amount to a criminal offence, otherwise be unlawful or adversely impact on a police investigation.

- 8.4 Unless otherwise agreed by the CMT, the Respondent will have 14 days to respond and provide any further written representations or evidence, or to raise questions or challenges concerning the evidence provided in accordance with 8.3.
- 8.5 The Case Panel shall determine all procedural matters in the case as it considers fit in accordance with the Procedures. This shall include but shall not be limited to:
- 8.5.1 Stipulating how the proceedings shall be handled.
 - 8.5.2 Considering the matter on the basis of written submissions and evidence.
 - 8.5.3 To request further information from the parties.
 - 8.5.4 To hold a hearing whether in person, by telephone or such other electronic communication system as may be deemed appropriate in all the circumstances.
- 8.6 A hearing conducted under these procedures is not a judicial or legal hearing. Evidence will not be delivered under oath. The Panel adjudicating a hearing, will however, endeavour to apply the rules of natural justice.
- 8.7 If the Respondent fails to appear at the time fixed for the hearing, or fails to attend following a second invitation without good reason, the hearing may be conducted in his or her absence if appropriate.
- 8.8 The Panel Secretary will take notes of the hearing that shall be retained by the Lead Officer for a period of at least 6 months following the conclusion of the proceedings.
- 8.9 The Case Panel will examine all the relevant evidence and reach their determination according to the standard of proof in civil law (i.e. whether on the balance of probabilities the allegation(s) is/are proved).
- 8.10 If proved, the Case Panel will decide whether any sanction should be imposed.
- 8.11 Where the Case Panel determines that any allegation has been proved they may revoke British Gymnastics membership or suspend British Gymnastics membership for a defined period with or without conditions and/or impose any other sanction available to the CMT set out in paragraph 6.10.
- 8.12 The Case Panel:
- 8.12.1 Shall decide on the suitability of the Respondent to participate in gymnastics and shall have the power to suspend or revoke British Gymnastics membership.
 - 8.12.2 Shall consider whether appropriate controls could be put in place to manage the risk before determining that an individual's British Gymnastics membership be suspended or revoked.

- 8.12.3 May make any other decision that it considers reasonable and proportionate in the circumstances.
- 8.12.4 May recommend that the matter is referred to the Disclosure & Barring Service (DBS) or Access NI, where applicable.
- 8.13 Before reaching a conclusion, the Case Panel shall be entitled to make any reasonable enquiries it considers appropriate including requesting further specific information from either the Lead Officer or the Respondent, seek such advice within British Gymnastics as it deems appropriate and/or seek external expert advice.
- 8.14 The Case Panel may choose to give reasons for its decision. If it does so, no appeal shall be initiated or continued solely on the ground of the adequacy of those reasons.
- 8.15 Each party shall bear its own costs (including but not limited to legal costs, scientific or other expert's fees, witness costs) in connection with the Complaint(s) made or appeals brought under the procedures.
- 8.16 The costs of any mediator shall be shared by the parties equally and the costs of any arbitration body appointed shall be borne by the parties in such proportions as the arbitration body shall rule at the conclusion of the matter.

9 Appeal Procedures

- 9.1 The time limits set out in these procedures may be varied where appropriate and shall be determined by the Appeal Panel on application in writing by either party.
- 9.2 Either the Respondent or British Gymnastics may appeal a decision of the Case Panel.
- 9.3 Either party wishing to appeal a decision of the Case Panel must submit a written appeal notice and inform the other party no later than 14 days after the date on which the Case Panel's decision was sent to the parties. An appeal will normally be a review rather than a rehearing but the Appeal Panel shall have discretion to conduct the appeal as it considers appropriate.
- 9.4 The Panel Secretary shall advise the Respondent of the names and any relevant qualifications of those appointed as members of the Appeal Panel. Such appointment is to be made by the CEO or delegated person.
- 9.5 A hearing conducted under these procedures is not a judicial or legal hearing. Evidence will not be delivered under oath. The Panel adjudicating a hearing, will however, endeavour to apply the rules of natural justice. The Chair of the Appeals Panel shall decide how the appeal shall be handled and whether to hold a hearing in person, by telephone or such other electronic communication system as may be deemed appropriate in all the circumstances.
- 9.7 If the Respondent fails to appear at the time fixed for the hearing, without good reason, the hearing may be conducted in their absence if appropriate.

- 9.8 The Respondent may make a reasonable request to be accompanied at the hearing by writing to the Panel Secretary in good time before the hearing, advising the identity of the proposed individual.
- 9.9 The decision of the Appeals Panel shall be delivered in the form of a written decision with reasons. In the event:
- 9.9.1 That the Appeal Panel upholds the decision of the Case Panel against the Respondent, it may confirm the sanction imposed by the Case Panel or, in exercise of its discretion, impose such other sanction(s) as would have been open to the Case Panel to impose.
- 9.9.2 That the Appeal Panel overturns the decision of the Case Panel in relation to the Respondent, the Appeal Panel, in the exercise of its discretion, can impose such sanction as it sees fit would have been open to the Case Panel to impose had it found against the Respondent.
- 9.9.3 Concerning an appeal only against the sanction imposed, the Appeal Panel can exercise its discretion to affirm the sanction imposed by the Case Panel or substitute its own sanction(s) in place of that of the Case Panel.
- 9.10 A copy of the decision in writing will be sent to the Respondent and the Appeals Officer no later than 21 days following the completion of the appeal hearing.
- 9.11 The Panel Secretary will take notes of the hearing that shall be retained by the Lead Officer for a period of at least 6 months following the conclusion of the proceedings.
- 9.12 No British Gymnastics Appeals Panel will have the power to make an award of costs against either party.

10 Criminal convictions and information disclosed on a Criminal Record check

- 10.1 The CMT shall have the power to sanction and/or impose control measures on an individual who has admitted to, or has been cautioned or convicted of, a criminal offence that is relevant to their role in the sport, or is deemed to be harmful to the reputation of the sport. The Respondent shall have the right of appeal within 14 days from the date on which the Respondent is notified of the CMT's decision. The matter could then be referred to the Case Panel who will determine the procedure for the hearing.
- 10.2 Where non-conviction information is disclosed on a criminal records check that the CMT consideration gives rise to concern about an individual's suitability to work or volunteer with children, young persons or adults at risk, the matter will be referred to the Case Panel for consideration under the safeguarding procedures.

11 General

- 11.1 Where a Complainant, Respondent or witness requires adjustments to enable them to participate fairly in any aspect of the complaints and disciplinary process, the CMT will consult

with the individual and, where considered reasonable, will ensure appropriate adjustments are made.

- 11.2 Appropriate advice and guidance will be provided to the Respondent and may also be provided to the witnesses or to the Complainant.
- 11.3 British Gymnastics shall meet the reasonable travel costs of any witnesses who may be required by British Gymnastics to attend any hearing as part of the disciplinary, safeguarding or appeal process. British Gymnastics shall not be liable for any other travel, subsistence or accommodation costs of the Respondent, any witnesses who may be required by the Respondent to attend any hearing, their adviser and/or companion nor for any fees which may be payable to any adviser.

- 11.5 Where a Respondent is between 16 and 18 years, the CMT will be responsible for confirming whether the Respondent consents for copies of the correspondence to be provided to their parent or guardian. If a Complaint results in an appeal hearing, Respondents under the age of 18 are entitled to be accompanied by a parent or guardian.
- 11.6 With appropriate consideration to relevant matters of confidentiality, if any, British Gymnastics may publish, or cause to be published on its website or elsewhere, the outcome of a Case Panel and/or an Appeal decision and will notify the Complainant, Respondent and any affected club(s), affiliated associations or other persons or organisations, as appropriate, of the outcome.

12. **Dealing with Persistent/ Vexatious Complaints**

- 12.1 It is the intention of British Gymnastics to follow these procedures and do everything reasonably possible to resolve issues or complaints. Occasionally, however, Complainants or those who make allegations may place focus on their own concerns to the extent that it places undue strain on time and resources.
- 12.2 We expect that our staff and volunteers deal with individuals respectfully and in a professional manner and follow the appropriate procedures, however there are instances when nothing more can be reasonably done to rectify a real or perceived issue or concern. At this stage, subject to the Complaints and Disciplinary Procedure being applied correctly and all reasonable action taken, it may be necessary to invoke the process for dealing with persistent or vexatious complaints.
- 12.3 **Definition of a vexatious complaint**
A vexatious complainant is someone who raises a complaint contentiously, without grounds and with little merit or substance or with the sole intention to cause annoyance or disruption.
- 12.4 **Definition of a persistent complaint**
A persistent complaint is where an individual persists in pursuing a complaint when appropriate procedures have been followed and exhausted.
- 12.5 **Handling Persistent Complaints or Vexatious Complaints**
The Lead Officer will consider the nature of the Complaints against the above criteria to enable him/her to confirm the complaint is considered by British Gymnastics to be vexatious or persistent and will determine a course of action from the following:
- 12.5.1 The Lead Officer try to resolve the issue in accordance with these procedures, by contacting the individual in writing to explain the difficulties and to set out a preferred method of behaviour for the parties involved. This may, for example, require the Complainant to communicate in a certain way i.e. in writing or with a specific individual.
 - 12.5.2 The Lead Officer will decline contact with the Complainant or restrict contact to a specific format (as detailed above).
 - 12.5.3 Notify the Complainant in writing that the Complaint has been fully responded to and there is nothing further to add; continuing contact will serve no useful purpose and that further correspondence will be acknowledged but not answered.
 - 12.5.4 In extreme cases, it may be necessary to instruct legal proceedings to deter the individual from further contact.
 - 12.5.5 The Board reserve the right to refuse admission or re-admission to any class of membership.

2. If the Case Panel decides that the ban should come to an end, it will then be for the Applicant to apply for membership through the standard membership application process. Any such application is subject to meeting the requirements of membership including any relevant Criminal Record Check
3. If the Case Panel decides that the ban should remain in place, the Applicant will not be eligible to make a further Application for Review until 5 years from the date of the Case Panel decision.

- 15 The Applicant may apply to the Case Panel to request an oral hearing. Any such request must be supported by evidence to show why the Case Panel should depart from the Default Position.
