2024 – BIG DREAMS

This year brings real excitement for us here at Edge as we get ready for our new, refurbished venue at the Tor Leisure site in Glastonbury. Work is under way on the rebuild and update of the current facilities. We are hopeful that the new, modernized sports complex will be open and ready for us to move into in the Autumn term. We plan to house all our classes across the week in the new center and use this as our base for the club. This exciting move will of course mean some changes to our current structure and the way the club runs. Although we understand a big move like this mid-term can be disruptive for everyone, we are excited for the long-term benefits being in Tor Leisure will bring us, including being able to introduce new classes and to grow the club and its community and benefit more children in the Mendip area. We will release a new timetable of classes ahead of the move and keep everyone as up to date as possible with all you need to know about Tor Leisure in order to make the transition across as smooth as possible for everyone. We will keep you all updated on a moving date and your new class times and everything you'll need to know about the new venue in the coming months. Keep your eyes peeled for updates on the Town Council website for Glastonbury. www.glastonburytowndeal.co.uk

Coming soon . . .

We are excited to announce that we have plans in place to open a Stay and Play Mini Gym later this year for preschool aged children 2 & 1/2yrs +. Keep your eyes peeled for a release date!

Welcome new coaches!

Congratulations to Nush for her Level 1 Acrobatics qualification, and to Jo and Katie for their Gymnastics Activity Instructor qualification.

We also welcome Hannah White to the team as a coach volunteer, she is hoping to do her qualification later this year. As a club we are always looking for new coaches and volunteers to join our team, if this is something you would be interested in, please contact us on info@edgeacrogym.co.uk

We would also like to say a big thankyou to all our squad level gymnasts who come along to our sessions and help coach other Foundation children across the club. They are an inspiration, and a credit to the club.

Competition Success

Edge have had a successful competition season this year. Spirit Crown Cup, in Yeovil in April was our biggest entry to date with 25 gymnasts competing across the weekend.

Since then, we have increased our squad numbers and many of them are working towards their first competition in October. Over the summer period we are now upgrading skills and choreographing new routines ready to showcase their skillset in Honiton in the autumn. You will get a selection of these skills on display at the Edge Christmas Extravaganza - it's not to be missed!

Think you have what it takes to become a squad gymnast? Talk to your class coach and they can point you in the right direction to start your pathway towards competition gymnastics.

Leotards & Routines

Who doesn't love a bit of sparkle?

Our squad gymnasts competing at Grade 4, Youth Category or above are now able to hire and/or purchase Sparkly custom-made leotards for their competition season. This is a super exciting moment for us at Edge and the gymnasts really enjoy the chance to shine on the competition floor in something personal to each of their routines.

We are now able to offer all our Squad gymnasts the opportunity to purchase a brand new, custom-made competition routine. As a club we allocate partnerships a routine from our stock, appropriate for their level. However, if your gymnast and you as a family would like a custom routine, please let us know and we can arrange an external choreography session for you.

Coacha – Tips & Tricks

Coacha, our online registration and booking system has made life a lot easier for the admin team and is a system that is improving all the time.

- If your child is absent from the session for any reason, you can use the illness log on Coacha to report it. This goes directly to the coach of the session.
- Not sure on session times or location? Check your child's session on the Coacha dashboard.
- Forgot your password? Let us know and we can reset it for you.
- Check the Coacha noticeboard on the dashboard for events and parent watching weeks.
- Booking onto a holiday session/course/competition: go to dashboard, click club schedule, a calendar pops up and you can select a session/course you would like to book.
- Be sure to save the Coacha webpage as a shortcut onto your home screen. The app is not developed enough to view anything apart from the most basic of features.
- Coacha has an online store where you can purchase a range of Edge kit as well as various awards the gymnasts earn.

Shop now. . . personalized hoodies, rucksacks, hold-alls and change robes now custom, made to order, as well as our club leotards, shorts T-shirts and more . . .

Save the Date

20-21st Dec 24 - Edge Christmas Extravaganza
